Hi all,

We hope you all had a lovely holiday; we look forward to the months ahead in netball!

We want to remind players and parents to please notify their coach each week if you are not attending training or games. Teams have recently been playing short due to no notification and leaving us no time to find fill ins. Our club number is 0478 700 188, but please try to contact your coach directly.

Good luck for the rest of the season!
