

Dear all,

Happy new year - hope you have had a great summer.

Parklands netball returns this week, with training from 4.30-5.30 (U9-U13) and 5.00-6.00pm this Friday, 1st Feb.

Games start again on Saturday 2nd Feb - the fixture is here <http://darebinna.vic.netball.com.au>

Parklands has 11 teams entered this season, and the senior coaches will finalise the lists this week.

Coaches will confirm who is playing on which teams on Friday at training.

Our committee members will also be there to help with uniforms, registration info, and to confirm team managers.

In 2019 you also need to register your players with Netball Victoria for VNA and pay \$56 for annual junior members. Netball Victoria have changed the system so the club is no longer able to register players and invoice you for VNA.

To register, you can use this link via the Darebin netball website, and use the instructions below:

<http://darebinna.vic.netball.com.au>

In the Menu bar

**Select** the VNA Registration tab

My Netball Online Registration window will appear.

**Select** Get Started

**Enter** in your email & password for My Netball (can be reset if forgotten)

**Select** the membership required -

Junior 11 - 17 years \$56

**Complete** the form & payment option

You may find glitches with confirming your player id or finding a login - you can either register as a new participant, or contact [darebinnetball@gmail.com](mailto:darebinnetball@gmail.com) to ask for login details.

Sorry it's not simpler - we have tried several different ways through, but Netball Victoria's websites are always complicated.

If you have trouble with registration, we will be able to sort it out over the next couple of weeks.

In the meantime, please let me know if you have any questions this week.

See you soon,

Tom
